Call to order was given by Mayor McLaurin.

Mayor McLaurin recognized the Town Manager, who presented a summary to the Council regarding the request by Apex, Cary, Morrisville, and Wake County to transfer an additional nine million gallons of water daily from the Cape Fear River, and discharge into the Neuse River. After the summary, a motion was made by Ms. Piland to adopt a resolution opposing this action, preferring that the additional water be returned to the Cape Fear River.
