**3:00 PM Tuesday, April 14, 2015 at the**  
**Eastover Community Center, 4008 School Road**

**Mayor Pro Tem Cheryl Hudson, presiding.**  
**Council Members attending: Benny Pearce, Lawrence Buffaloe,**  
**Cheryl Hudson, Randy Lee, Sara Piland, and Willie Geddie.**  
**Mayor McLaurin was absent for medical reasons.**  
**Also in attendance was Town Manager Kim Nazarchyk,**

**MINUTES**

Call to order was given by Ms. Hudson.

Mr. Nazarchyk gave an update on the proposed Budget for 2015-16 which contained some minor changes since the March discussion.

The Council then had a discussion regarding a street light policy. Presently, the Council funds 41 street lights along Dunn Road. It was determined that additional lighting would be considered on major roads in the future, but the Town budget would not allow for street light installation in residential neighborhoods.

Council also discussed a rental policy for the community building. Presently, the rental agreement states our limited policy. Council instructed the Town Manager to expand this policy, and no preferential consideration would be given to Council Members regarding rental of the facility.

Mr. Nazarchyk presented the Council with information regarding a warning system for the ball park which could be activated there, by the Eastover Fire Dept., or from County Emergency Mgmt. The cost to purchase would be approximately \$2,500. Council instructed the manager to determine the cost of installation, and report back.
